

Coast Landscape Management

We're As Reliable As the Tides

There are some things that you can always count on—the tides rolling in and out, some wicked surf and professional service from Coast Landscape Management. At Coast, our customer relationships are our most important asset. So we return phone calls. We show-up on time and as scheduled. And we make time to meet with you personally. Why? Because we take pride in our work and our team. By being approachable and open to your needs, Coast gives you the best resources and peace-of-mind to know that your properties are properly cared for and always improved upon.

Coast Landscape Management offers:

- * Turf Care: Mowing and edging of the lawn, leaf abatement, fertilization and weed control.
- * Horticultural Care: Pruning of your trees and shrubs, ground cover care and fertilization.
- * Irrigation: Conducting diagnostic inspections and complete any repair required.
- * Enhancement and Other Services

Green-up your landscapes! Call Coast Landscape Management at 1.800.578.8810, today!
